Here at High Peaks Dental we know what's important to you and we strive to provide our patients with quality care, comfort and convenience. We provide a full-service, state-of-the-art dental practice. In addition to Family Dentistry, we offer the latest technologies in Sedation, Cosmetic, Preventive and Restorative Dentistry.

We offer quality dental care in a warm and relaxing atmosphere, using the latest in technology and techniques. Starting from the initial assessment, we will always be available to make sure your experience with our office is an optimal one and look forward to exceeding your expectations. Let us help you smile again!

Sedation Dentistry

A revolutionary approach designed to successfully treat you with a high level of fear or anxiety without the needles. You will experience being wonderfully relaxed and totally comfortable with little or no memory of your visit.

Invisalign

The invisible way to straighten your teeth without braces using custom made undetectable, removable aligners. So whether your teeth are crowded, too far apart, or have shifted since wearing braces, you will have a new reason to smile.

6 Month Smiles

A revolutionary combination of proven orthodontic techniques, modern materials, and innovative thought. 6 Month Smiles utilizes specialized clear braces to gently straighten and align your teeth in an average time of just 6 months.

Dental Sleep Medicine

Receive treatment for sleep apnea, snoring, insomnia or other sleep disorders without the inconvenience of a bulky C-PAP machine.

Health and Safety

High Peaks Dental is equipped with the latest dental technology and meets or exceeds government standards for infection control. We take pride in ensuring your family's complete safety in the most caring and gentle environment.

Non-Surgical Gum Treatment

Our hygiene team uses state-of-the-art technology, including lasers, and the latest knowledge to partnership with you to ensure a life time of smiles.

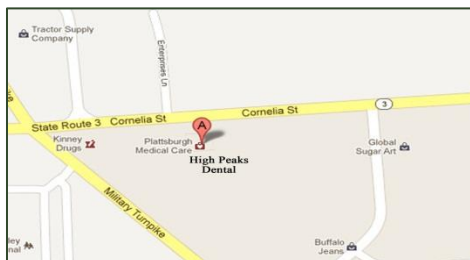

Cosmetic Dental Options

Look younger and enjoy lasting beauty with the perfect blend of art and science. Thanks to the wonders of modern dentistry, with procedures such as bonding, porcelain veneers and crowns, tooth whitening and implants, you can have your dream smile.
